MEMORANDUM FOR: Director of Training

25X1A9a

FROM: [REDACTED] OTR/IS/OBF

SUBJECT: Report on Vietnam Area Course No. 2

1. Basic Data

The second running of the Vietnam Area Course took place 11-15 March 1968 in Room 1 A 13. Enrollment consisted of 35 persons; 25 were being processed for assignment to Vietnam, and 10 were Headquarters personnel from various Agency components. This enrollment is similar to that of the first running, wherein there were 36 persons enrolled, of whom 24 were going to Saigon and 12 were headquarters personnel.

2. Changes in Schedule

25X1A5a1

The video machine in Room 1 E 74 broke down on Monday, and hence the first scheduled film was not shown.

25X1A5a1

[REDACTED] was unable, because of an out-of-town trip, to present his lecture on Wednesday, 13 March; in its place I showed the very excellent filmed lecture by Dr. [REDACTED] on Communist Revolutionary Warfare. Happily this

substitute was well received by the students. Also happily, [REDACTED] was able to appear the next day to

25X1A9a

answer questions on his film by reason of the absence due to illness of [REDACTED]. An additional comment

on this appearance by [REDACTED] will be found in paragraph 4 below.

3. Outside Speakers

25X1A5a1

Six outside speakers participated in this program.

25X1A

From State came Messrs. Smyser and Marsh and from the Department of Defense, Colonel Dexter. From [REDACTED]

[REDACTED] came [REDACTED] each of whom was paid \$50.00; [REDACTED] generously refused to accept the \$50.00 honorarium offered. He apparently felt that his appearance in a question-and-answer stance was not deserving of the fee.
